

The CITC IPC-ABC **GENE HARDER SCHOLARSHIP FOR NEEDS BASED ASSISTANCE**

will be awarded to students working to improve the quality of their life through professional and community growth.

**UP TO \$1,000
VALUE!**

Active CITC students in good standing may apply for this needs based scholarship, intended to help students supplement the financial needs of attending school while working on the job.

Scholarships are awarded to applicants who are able to submit a statement of need, and are currently registered as a craft training student attending classes with CITC.
